

## **NORTHWEST**

## **MOUNTED SHOOTERS**

Greetings!

Cowboy Mounted Shooting is an exciting, fast paced sport where contestants compete on horseback using two 45 caliber single action revolvers shooting black powder blanks. The object of the competition is to hit all the targets on the course (called a stage) while riding their horse at the fastest possible pace. The riders are outfitted in authentic period dress and the result is an amazingly accurate representation of the "Old West" in all its glory! This sport is growing by leaps and bounds and because of the fast pace and "old west" authenticity, is becoming a favorite spectator sport.

The Northwest Mounted Shooters (NWMS) is a club dedicated to the sport of Mounted Cowboy Action Shooting with members originating from Eastern Washington and North Idaho. Mounted Cowboy Shooting is a family oriented sport and our members range in age to a few days old to have "seen better days". We focus on family fun and togetherness and teaching responsibility, sportsmanship and respect toward others in the sports arena.

All organizations need support money! The NWMS earns most of our money from membership dues, jackpots, clinics, silent auctions, and other small functions throughout the year. But some of our money comes from businesses such as yours. If you decide to become a sponsor we will show our appreciation by showing your business name on every program for every function throughout the year, the banner you supply will be seen on the arena fence, plus the other benefits that come with your chosen sponsorship plan. Your message will have frequency; it will be repeated week after week, month after month. This gives your potential customer many different opportunities to see your message and remember it. We also encourage our members, as well as others, to utilize your business. By sponsoring an event with the NWMS your business can be provided with affordable advertising that will be seen by both members and spectators in Washington, Oregon, Idaho, Nevada, and Montana!

Remember, due to the fast action of this growing sport and the increased interest in the "Old West", these events will draw spectators and participants from Idaho, Washington, Oregon, Montana, Wyoming, and Nevada. Prizes are varied and range from buckles to merchandise.
